This year’s class of 135 students is 55% larger than the 2015 graduating class!
Dear Alumni and Supporters,

This past year has been a whirlwind, grueling and exhausting, but in the end a momentously successful year for Monsignor Scanlan High School and its future.

On May 28, 2015, legal governance of Monsignor Scanlan High School transitioned from the Archdiocese of New York to our Board, under the continued auspices of the Archdiocese. We remain the same excellent, values-based high school as we have been for the past 66 years, with all the benefits of being part of the Archdiocesan educational system, except that we no longer receive financial assistance from the Archdiocese.

We have replaced the Archdiocesan subsidies primarily through increased fund raising and enrollment, and a lease of the former Boys' School building, Helena Hall, to Grand Concourse Academy Charter School, which educates kindergarten through fifth grade children. Occupancy of Helena Hall commenced on July 1 and we met this year’s Annual Giving Campaign goal of $400,000. We graduated 87 students and are welcoming a freshman class of 135 students and 14 upper class transfers.

The lease, Annual Giving at or above the $400,000-$500,000 level, and continuing to control expenses while increasing enrollment, ensures the continuation of Monsignor Scanlan High School for many years to come, and our mission of carrying on Monsignor Arthur J. Scanlan’s legacy, graduating 100% of our students, sending virtually all of our students to college, and dramatically transforming the lives of the inner city children who we serve through our values-based education. We are a miracle lifeline to the financially struggling, yet motivated children who we serve. All who support Monsignor Scanlan High School know the joy and satisfaction that comes from saving so many children, and setting them on a course to be constructive citizens and contributors to our society.

All contributed so much this year, but especially Joe Solimine ’61 who contributed 40-50 hour work-weeks to maximize our 13-acre campus in the most cost-effective way, be involved in so many areas of our school’s growth, and, against all odds, get Helena Hall ready for occupancy by Grand Concourse Academy. Joe has simply been amazing!

On behalf of our remarkable children, teachers, staff and our Board, and all of the Monsignor Scanlan High School Family, we thank you for your continuing support and generosity, and the tremendous good that you make possible for our wonderful students.

Very truly yours,

Christopher F. Gallagher
Board Chair
Dear Alumni and Friends of Monsignor Scanlan High School.

Tempus Fugit!!

Where does the time go? Can you believe the Class of 2019 began this September? Yes, the new school year is underway and with it, the promise of all new beginnings. The students’ young, fresh and eager faces turn to our teachers and staff for the guidance and leadership that will enable them to grow spiritually and academically. It is truly a blessing to work with these young people, as we continue to provide the educational vision of our founder Monsignor Arthur J. Scanlan.

Last year, our enrollment grew by 10%. I am pleased to report that our entering Class of 2019 is 13% larger than the Class of 2018. Our school is growing again and we have much to be thankful for and many to thank for this success.

Thank you to:

• The Archdiocese and Cardinal Dolan for their support both financially and logistically for helping MSMS achieve financial stability and also attain independent school status.

• Our Board of Trustees led by Mr. Chris Gallagher. Mr. Gallagher and our tireless Board members worked around the clock to secure the future of our school. Special thanks to Mr. Joe Solimine for completing the Herculean task of preparing St. Helena Hall for our new tenant, the Grand Concourse Academy Charter School, in less than 2 months. None of this could have been possible without the superior work of our custodial crew, led by Mr. Raul Ortiz.

• The Board of the Grand Concourse Academy Charter School for choosing to become part of our campus and thereby helping to extend the mission of our school for years to come.

• Our teachers and staff for their dedication and commitment to our school. We graduated 100% and 84 of 87 seniors are attending college this fall. Congratulations and best wishes to the many teachers and staff who decided to retire this year. Their experience, expertise and enthusiasm will be sorely missed.

• Pastor Emilio Sotomayor for his support and wonderful liturgies throughout the school year. Good luck at your new position as a high school principal in Puerto Rico. At the same time we welcome Reverend David Powers to his new position as Pastor at St. Helena Church.

• All of you, our alumni, friends and benefactors who helped us achieve our Annual Giving Campaign goal of $400,000. Your support and sacrifice is making a difference in hundreds of our students’ lives.

Please review the calendar of events for this year and check our website for updates. I enjoy and look forward to meeting with you throughout the school year. I am blessed to be part of this wonderful Scanlan family.

God Bless All Crusaders!

Sincerely,

Peter M. Doran

Hall of Fame Dinner

Planned for Spring 2016

The St. Helena/Msgr. Scanlan HS Hall of Fame was established in 1995 to create a lasting tribute to those who have brought honor to themselves, their school and their communities. We hold members of the Hall of Fame in the highest regard as role models and inspiration for all our present and future students.

The Hall of Fame Dinner is a substantial undertaking and the major fund raising event for our school. We have already received outstanding and worthy nominations from many sources and want to continue to make this process as thorough as possible. We are asking our alumni and friends to recommend Hall of Fame nominees in the following categories:

- **The Monsignor Arthur J. Scanlan Award**
  for outstanding accomplishments and achievements by alumni in their professional field or career

- **The Nat Silverberg Award**
  for outstanding achievements in athletics

- **The St. Helena Award**
  for distinguished service to St. Helena/Msgr. Scanlan HS by Faculty, Coaches, Administrators and Alumni

If you wish to submit a Hall of Fame nomination, please send an e-mail to Chris Gallagher, Board Chair at imicfg@aol.com or to Karen Gennarelli at the Scanlan Alumni Office at kgennarelli@scanlanhs.edu

An Inspiration to All of Us

**Richard "Rico" Rainey ’66** was a gentle giant, and the kindest of men, as universally recognized by all who knew him. At 6’5”, 220 pounds of conditioned power and muscle, Rico was my backup center when he was a junior. As we prepared to compete for the CHSAA New York City Championship against Kareem Abdul Jabbar and other future N.B.A. players, we hit each other unusually hard in practices, but we both knew that we each played clean and would not injure each other.

Rico was a hero on the New York City Police Force. On May 1, 1981, Rico and his partner, John Scarangella, responding to a burglary, stopped a suspicious white van on a Queens Street. Before they could even get out of their patrol car, two members of a Black Panther splinter group jumped out shooting automatic fire, putting two bullets into Rico’s partner and killing him, and putting 14 bullets into Rico.

Rico survived, the thugs were convicted, and Rico lived into his 67th year, golfing, enjoying life, and bringing joy to, his family and friends, and nobly bearing the wounds of the ambush. He did not complain and remained the same sweet, kind-hearted man that he always was. On March 3, 2015, Rico passed. Thousands were at his tearful funeral to honor him. Rico represented the very finest of Monsignor Scanlan High School.

I miss my friend and a wonderful man. Please remember Rico in your prayers.
- Chris Gallagher
May 16th was a great day when 100+ alumni and staff from the St. Helena/Msgr. Scanlan Business/Commercial Schools came back to campus to reunite and honor past faculty member and principal, Sr. Jean Thomas. Alumni were able to tour their campus with present Scanlan students and reunite with classmates and past faculty. Sr. Jean was honored with flowers and a plaque recognizing her years of service to the school.

The next Business/Commercial School on-campus event is planned for Saturday, October 3rd when the memorial stone commemorating the business/commercial schools will be dedicated. The dedication will begin at 1pm followed by a cocktail reception. All alumni, faculty & staff have been invited to attend. Donations are being accepted to the Memorial Circle Beautification and the Business/Commercial H.S. Alumni Scholarship Fund. To make your donation, please visit the Scanlan website at scanlanhs.edu - Alumni Events - Business/Commercial School Dedication.

If you are interested in purchasing a digital version of any of your Business or Commercial School yearbooks at the early-bird price of $20, contact the Alumni Office at 718-430-0100 x58 or x13.

congratulations

Dave Smith ‘60 – Chairman of General Atlantic Group Limited - was recently honored by his alma mater St. Francis College in Brooklyn, NY and was awarded an honorary PhD – a Doctorate of Humane Letters Honoris Causa - presented by his wife Ann Pavelka Smith ’62. The ceremony took place in Manhattan in April. Dave and Ann “give much thanks to St. Helena’s for getting us to where we are.”

The following St. Helena/Monsignor Scanlan High School alumni and friends recognized the needs of our school and made the altruistic decision to support MSHS and make a difference in the lives of our students. Some gave to the Annual Giving Campaign, some to the 65th Anniversary Celebration, Declan Fund or Golf Outing, some sponsored a Scanlan Scholar or donated to named scholarships in memory of others, while some saw a specific need and satisfied that need. All made the decision to be financially involved and for that we are truly thankful and blessed. Because of these generous gifts we continue to educate our students in a Catholic environment that allows them to gain confidence and self-esteem and empowers them to take pride in their academic performances. We are investing in vulnerable young men and women, achieving remarkable success and dramatically changing young lives for the better.

Andrew Curiel ’14, decided he wanted to share his basketball talents with neighborhood children. Andrew played varsity basketball here at Scanlan under Coach Dwayne Mitchell and now plays for the College of Mount St. Vincent. He was given the use of the Gallagher Gym, recruited his coaching friends, created some flyers & certificates, ordered t-shirts and offered a free one-day basketball camp on Saturday, July 18th for boys and girls ages 7 to 15.

The Gallagher Gym was filled with eager, young athletic hopefuls who were thrilled to be learning the fundamentals of basketball and teamwork from Andrew and his volunteer coaches – Emmanuel Agayappong, Joseph Cohen, Matthew Zarnach and Neeko Zeno. It was a great day for the campers, their families and for Andrew and his dedicated staff. At the end of the day, awards were presented, pizza was served and all went home happy. All of us at Msgr. Scanlan HS are proud of Andrew and his commitment to helping others.

Scanlan Varsity Baseball Team Tops Nazareth for CHSAA “A” Crown

On June 4th, the Scanlan Crusaders defeated the Nazareth Kingsmen at Jack Kaiser Stadium on the campus of St. John’s University by a score of 4 to 3 in an extra inning game that was exciting from start to finish. Sophomore, Errny Ordonez, while battling a cramp in his leg, was the winning pitcher and senior, Mario Rodriguez delivered a walk-off single that lifted his team to the CHSAA Class A title. “This team has a lot of heart,” Mario Rodriguez said after the game. “We knew once we were behind we were going to come right back. It’s the best feeling to go out my senior year with a bang and pass it down.” The Scanlan Varsity team did not lose a post-season game on their way to their second crown in the last three years!

The Bronx Times selected Coach Edwin Montero All-Bronx Baseball Coach of the Year and listed the Msgr. Scanlan Varsity Baseball Team in the Top 10 of high school sports teams for 2015. Congratulations to Coach Montero, Coach Casiano and the entire Scanlan Varsity Baseball Team. You make us proud!
American Cancer Society  
“Relay for Life” on Scanlan Campus

On a beautiful Saturday afternoon in May, the Scanlan baseball field was filled with adults and children alike who were there to remember their loved ones, honor cancer survivors and raise much needed money to fight back against a disease that has already taken too much from too many Bronx area residents. The “Relay for Life” event began at 11am and continued until nearly 10pm. Tents covered the field and Relay for Life team members took turns walking or running around the designated course for the duration of the event. It was a “site to see” and all in attendance were inspired by the number of supporters who came out to share the experience with their friends and families. Scanlan students and staffers came out to show their continued support for the American Cancer Society and to encourage the Relay for Life participants.

Each year the Relay for Life Movement raises more than $400 million. If your group or organization is interested in hosting or participating in a Relay for Life event, contact the American Cancer Society at 800-227-3245.

Summer Institute Walk-a-thon Raises Money for St. Jude’s Children’s Hospital

On Friday, July 10th the 46 students attending the Summer Institute here at Scanlan participated in a most-successful Walkathon on the Scanlan campus. They raised $1,410 and voted to donate the money to the St. Jude’s Children’s Hospital. Great job students and faculty member, Mrs. Aimee Esposito who coordinates the Summer Institute and organized the Walkathon.

The Scanlan Scholars below represent everything that our Catholic school mission is about. Please help. If you can make a donation to defray the tuition cost for one of these students it would truly be a special gift. Small donations yield large rewards. Thanks for your consideration.

MT will be a junior at MSHS in September. He is the oldest of four children in his family. In April, his grandmother suddenly passed away and he struggled with this loss. The grandmother lived with the family and she contributed to his tuition. MT’s mother is a single parent and can’t afford MSHS by herself. MT worked this summer but he did not earn enough money to pay his full tuition. MT wants to go to Baruch College to become an engineer. Our Principal Pete Doran told MT’s mother that we would work something out to help with his tuition.

AC is a rising sophomore this year. She is a quiet young lady and a model student, always ready with a smile for everyone. This past year her parents lost their jobs and the family was threatened with eviction. When her parents decided to remove AC from MSHS, she was heartbroken. Principal Pete Doran spoke to her parents and assured them that she could stay and not to worry about tuition until they get new jobs. AC finished the year with a B+ average despite the stress of the family finances.

To sponsor a Scanlan Scholar, please contact Karen Gennarelli at 718-430-0100 x58.
Tom Gill ‘76 shared this story with us about his missing high school diploma

“I was attending Monsignor Scanlan Boys’ High School in the mid 70’s – I was the third child in my family to attend MSHS. My father had lost his job and was struggling to provide for all of us. I can hear my father’s voice like it was yesterday telling me to stay in school so that I could get a good job and not have to worry and suffer making a living like he did. My parents contacted the school and worked out an agreement allowing me to double up on some classes in my senior year so that I could graduate a half year early and save the half year tuition. I finished high school in December of 1975 and I immediately attended college while working 40 hours a week to pay for college and to contribute to my family. After finishing my first semester of college, I received a phone call from Mr. Neil Nolan, Dean of Students, informing me that I could come by and pick up my diploma. Mr. Nolan had been one of my favorite teachers during my sophomore year and had since been promoted. When I arrived at Scanlan, he informed me that there was a glitch in my account regarding my last year’s tuition and therefore I could not be given my diploma until I was fully paid up. I went home upset and empty handed. As I was already in college, I did receive a letter from Scanlan stating that I had graduated, but they never gave me my diploma.

39 years later – I ran into Mr. Nolan and I could not help but tell him about my never receiving my diploma. He promised me on that day that he would get me my diploma. I went home thinking how great it was to see Mr. Neil Nolan after all these years, never believing that there was a chance he could obtain my diploma. It turns out that even though Mr. Nolan had since retired, he still had some strong ties to the school. He contacted Rosalia at the Scanlan Alumni Office and he also made a call to Bill Fox ’67, a Scanlan Board member who brought the story to the principal, Pete Doran. Mr. Doran’s assistant, Kim had a pretty good idea where my diploma might be and she and Rosalia went looking and found it! Of course, I knew nothing about this until two weeks later when Neil presented me with my diploma. There it was in its original faded cardboard box protected from the light of day for so very long. I held it in my hands for the first time and stared at it trying to find the right words to say. I was so grateful to Neil for coming through for me and my parents. I could not believe how ironic it was that the same man who had to deliver the bad news 39 years ago was the same man who got the diploma for me.

Thanks Neil for all your efforts back when you were my teacher and especially now for caring about my story and for the time and energy you once again put in for me to close a circle in my life. I will be forever grateful to you. Even though I had since earned my Associate’s, Bachelor’s and MBA, my HS diploma provided closure and a victory. And all the while I can see and feel the smile on my late father’s face. I got it Dad – I got my diploma!

Tom Gill ’76

Where are they now?

Many of our alumni told us that they wanted information on what their St. Helena/Scanlan teachers are doing now. We asked Mr. Joe Farrelly & Ms. Rosemary Tunney to share with us their memories of their teaching days and what is keeping them busy these days.

I am a proud graduate of SHHS, Class of ’67. When it came time to choose a high school, I wanted to blaze my own path, which meant I wanted to go to Cardinal Hayes with my buddy Willy. We had been together since kindergarten after all. My parents informed me that if SHHS was good enough for my sister and my brother, it was certainly good enough for me. My four years on campus were such a positive experience, that it gave me an advantage over most of my peers. While my friends were struggling with what to major in, what did they want to do with their lives, I knew. I was going to get a degree in History, and my teacher’s license, and return to teach at SHHS. I achieved those goals in 1971. My freshman home room teacher, George Maloney, was now my department head. I joined a staff that included my brother, Tom.

I was on staff, teaching American and World History and even a few religion classes, from 71-76. When I think about those years, always fondly, what I remember most is brilliance and laughter. What an incredible staff Br. Charles Marcellin had hired. The Marist Brothers treated us like family. We were a band of brothers working with serious purpose, but good Lord, we could be funny. I had the joy of having former teachers become friends and mentors. Every day I worked with men my age trying to inspire boys not much younger than us.

In 1974 the Pastor decided that the boys and girls schools should combine. He thought we could do it in a couple of weeks. In 1976 we achieved that goal, and surprise, surprise, the boys’ school faculty proved they could also teach girls. That was one of my most enjoyable years at Scanlan. In the spring of 76, some thirty teachers were laid off. I survived that cut, in part because I had two months more experience than my friend and coworker Neil Nolan. The fact that Neil had also been the assistant principal wasn’t lost on me. That summer I got an offer to teach at Garden City HS, which I accepted. The following spring I got laid off. Getting laid off was quite a blow since I made the mistake of thinking I was defined by what I did. In hindsight, maybe God had tired of my lack of growth. Life has been quite an adventure. I went to work at an architectural/engineering firm, which I parlayed into a construction job that took me in late 1979 to Charlotte, NC. The job was supposed to last 26 weeks. Being born and raised in the Bronx, I figured I could live anywhere for 26 weeks. I’m still here. The 26 week job turned into 74 weeks, and after that length of time even a kid from the Bronx can figure out Charlotte is a nice place to live.

For the last 30 years, I have worked in financial services, 16 years with Merrill Lynch and the last 14 and still counting with UBS. My wife Sandy and I have been married for 31 years. We have two children, Stephen, who a Project Manager for a startup software firm in San Francisco and Bridget, who is studying for a Master of Divinity degree at Notre Dame.

People who live in the south, want to know where you’re from. I always answer the same way, East 177th street, the Bronx. I continue to support Scanlan because it was instrumental in developing my passion, while it taught persistence.
I graduated from SHHS in 1961, being one of the thousands of children who Msgr. Scanlan had promised to educate “from kindergarten to college” and did so. I fondly remember some of the parish programs that he began such as Friday & Sunday night dances, Saturday afternoon skating, school plays, etc. and know that thousands of people were touched and enriched by his active presence in their lives. He was a brilliant visionary who could be thought of today as a “community activist” though he was so much more! I feel, and I know this thought is shared by many, that he ought to be nominated for sainthood and perhaps will be someday.

When I returned to New York in 1983 from the Virgin Islands where I lived and worked for five years, I was given the opportunity to take a position at Msgr. Scanlan as a Math teacher. I enjoyed being back in the halls of my old alma mater, and related easily to the students, especially those who saw math as a challenge, as I had during my high school years. Since I had loved my time there as a student, it was a natural progression. The camaraderie among the faculty was awesome, and I felt privileged to be a part of it! Sr. Eileen Clifford was the principal, and she led by her fine example and professionalism. There were several teachers that I had as a student who were still members of the faculty such as Ro Miraglia, Nan Clarke, and then, Sr. Linda Bonasera, Assistant Principal and former classmate of mine from elementary school. There were first Friday gatherings each month, and it was there that I got to know people from the other departments. Many rich friendships were forged as a result and oh, the laughs we had! Joe Klein, Bob Doyle, Mary Hughes and others could have been writers for Saturday Night Live, so sharp was their wit. Monsignor Scanlan's motto, "It's fun to be good" was evident throughout the four years I worked at Scanlan. I felt so proud to be a part of this institution of learning!

I left Scanlan in 1987, and became a guidance counselor in the NYC Department of Education. where I worked for twenty years. Additionally I was an adjunct instructor for the College of New Rochelle Graduate School for ten years and Mercy College for five years.

Two years ago I was contacted by Karen Gennarell and asked if I would agree to be a Class Agent and reach out to my classmates to urge their involvement. I agreed to do what I could to assist her. Scanlan has a special place in my heart, as I know it does for so many of us, and so I also volunteered to be on the 65th Anniversary Committee last fall. Our Monday evening meetings were potent with ideas (and fun too), and I was struck by the dedication, hard work and enthusiasm that every member of the committee (former alumni) brought to the table. The weekend-long event was a smashing success.

Last fall I joined other alumni and became a mentor for a wonderful Scanlan student. Mentors stay connected to their mentee during their entire high school career. This experience has been a most enriching one for me. The Student Sponsor Partnership is a wonderful opportunity for a student with financial need to receive a Catholic school education in NYC.

The annual golf outing took place this past spring, and proved to be another great event! I had the opportunity to speak with a few of the Scanlan students who came to help - they were delightful! And I recently co-authored a book with my cousin Edward Cocchiola entitled, Tom Tunney: The Heart and Tenacity of a Champion. It's a biography about my Dad, highlighting some of his famous cases while on the NYPD as a detective and can be purchased on amazon.com.

In summary, no matter where I've gone in the world, SHHS/MSHS has been a connecting link, be it on a cruise (I met alumni on two different ones) or accidently discovering a fellow Helenite who also lived in the Caribbean. Each encounter brought such joy and wonderful memories of our days of old! It's been a great ride and one that's not over yet! Thanks for giving me this opportunity to share some of my favorite memorable experiences with everyone!

[Rosemary is the niece of Gene Tunney, undefeated Heavyweight Champion of the World, 1926 to 1928].
A LITTLE HISTORY OF OUR CAMPUS

In the Spring Newsletter we included – at the request of some of our alumni – historical information about the buildings on our campus. Since then, we have uncovered some additional info and realized that some of our previously published dates were incorrect. So here are some amazing, updated facts about our buildings:

- Helena Hall was built in 1882 at the cost of $13,000
- Dominican – the Girls’ School – was built in 1895
- The Silverberg Field House – Boys’ Gym – was built in 1933
- The Convent – “The Ferris House” – was built in 1687*

GRADUATION DAY

On May 29th, St. Helena Church was filled with proud families, friends and faculty as the 63rd Annual Commencement began. The beaming graduates marched in behind their MSHS teachers, their principal, Peter Doran & Father Emilio Sotomayor, the Pastor of St. Helena Parish. Fr. Emilio led all in a prayer followed by senior William Mendez, Salutatorian who welcomed all to the graduation. Reverend Gerard Sauer, Pastor of St. Mel’s Church in Flushing, Queens and alumnus of the Class of 1981 gave an inspiring commencement address and senior, Nirvana Dipre, Valedictorian brought tears to the eyes of many with her heartfelt speech. Mr. Doran proudly distributed diplomas to all and concluded the ceremony with his sincere closing remarks to the graduates and their families. The graduates, led by Musical Director, Stephen Johnson, sang their school song and then processed out of St. Helena to the cheers of their families and friends. It was a great day for all in attendance.
Many of our alumni and friends stepped up and made a difference at Msgr. Scanlan HS this year. They provided a product or a service – an in-kind donation – so that we could continue our Catholic mission. They gave of their time, their talent and/or their treasures and for that we are truly grateful.

Estate Planning & Planned Giving:

WHAT YOU SHOULD KNOW

Msgr. Scanlan HS welcomes bequests from alumni & friends. Please consider naming MSHS as one of the beneficiaries of your will. Many of your most valuable assets – retirement plans, IRA’s and financial accounts – can be distributed after your death via a beneficiary designation. Also, any paid-up life insurance policy that is no longer needed may be given to the charity of your choice (MSHS) or MSHS can be designated as the beneficiary of said policy, including an employer-provided policy.

If you are making plans to include Msgr. Scanlan HS in your will or are designating MSHS as a beneficiary, please let the Scanlan Alumni Office know so that we can properly recognize what you are doing. Your actions can inspire other alumni and friends to similarly plan to give back to their alma mater.

Of course, any charitable gift options should be discussed with your attorney and/or your financial advisor.

Any additional questions, contact the Scanlan Director of Development, Karen Gennarelli at 718-430-0100 x58.
